Cookie Policy

Last updated: 22/10/2025
Version: 1.0

---

1. Purpose and Scope

This Cookie Policy explains how Data Breach Advisors (Cavis Limited, "we," "us," "our") uses cookies and similar technologies on this website.

It should be read together with our Privacy Policy and applies to all visitors and users of the site.

We use Cookiebot to identify, classify, and manage cookies in compliance with the Privacy and Electronic Communications Regulations 2003 (PECR) and the UK General Data Protection Regulation (UK GDPR).

You can update or withdraw your consent at any time through the Cookie Declaration below or via your browser settings.

---

2. What Are Cookies?

Cookies are small text files placed on your device by websites you visit. They are widely used to enhance website performance, improve user experience, and provide valuable analytics to website owners.

---

3. How We Use Cookies

Cookies on this site fall into the following categories:

Necessary Cookies

Description: These cookies are essential for the website to function properly. They enable core features such as security, network management, and accessibility.

They do not store personally identifiable information.
Legal Basis: Legitimate interests (ensuring the website operates as intended).

4. Managing Your Cookie Preferences

You can adjust your cookie preferences at any time via the Cookiebot consent banner or by selecting "Cookie Settings" in the footer.

You can also delete cookies through your browser settings. However, disabling certain cookies may impact the website's functionality or your user experience.

For an automatically updated, live listing of all cookies currently active, please visit our Cookie Declaration.

5. Updates to This Policy

We review this Cookie Policy at least annually and whenever there are material changes to our use of cookies or to applicable law.

Future revisions will be published on this page with an updated effective date.

6. Contact Us
